Def. Pog. No. 1166

Excert i've the reduced size editive if the As wishing it and . 817, July 10, 1.37.

China Garrison Readquarters Commissue (1.30).s. July 7, 1957)

In response to our demand, the Chinase units in Marco Polo bridge finally evacuated and withdrev to the night side of the Yung Ting Ho at 1280 p.m. Accordingly our Lamy concentrate our forces on the north and east sides of Larce Polo Bridge and has decided to open negotiations for the sattlement of the Insident suspending all hostilities. The villful delay is tithdraving Chinese units in Marco Polo Bridge as well as the un'a ful shooting by the Chinese unit in the not phoughood of Lung Ting Miao which handened on the night before last can not but be considered as a result of the anti-Jub.mose promaganda combicted by the Nanking Government and the Communist Party circles tour rds the Chinese armies and especially towards junior officers and downward, which recently seem to become ever more success. It will have no other effect than to hinder mutual uniorstandings between the upper and lover marts among the Chinese army and to lead the Hopei and Charler Political Council to a disadvent group position. It will be really regretable for the sake of Mart ... in general in case these tendencies should result in helping the

Def. Doc. No. 1166

so-called people's Frontists in their attainment of long cherishe aims. The Japanese Army is greatly interested in the future development of the situations.

nor tee No. 1166 ...

CLEMPICATE OF AUTHORICOTY

I, who occupy the post of the Chief of Enventi atom in the Asahi Press, here y certify that the dominant hereto attached, written in Japanese, consisting of 3 prose and entitled "Chief berrison headquarters Cornenique" to a sopy of a report on our newspaper issued on July 10th, 1957.

on this End day of March, 1947

NICHTI ., Yoshi'l (real)

I hereby certify that the above si mature and test were affixed here o in the presence of the Litheas.
